NON LEAGUE MEMBERS: It is the intent of the IDFL to work with other Adult Amateur Football entities' as a show of brotherhood. While we are willing to reach out to everyone; they must meet our criteria before we extend our hand. Therefore the following must be in order before a member of the IDFL will consider a relationship with any outside organization:

- Members of the IDFL are allowed to host and participate in games and events with teams that are not members of the IDFL as long as they seek permission from the Commissioner and meet the criteria of the IDFL's Board of Directors.
- No member of the IDFL shall participate or host any game against a team that has an outstanding debt against a member of the IDFL. All debts must be paid in full before consideration will be given to non-league members. Proof that the debt had been cleared must be presented before seeking permission to participate in an activity involving a member of the IDFL.
- Because the IDFL is a Zero Tolerance League, ANY non-member seeking a game or looking to host an event; must show in advance a plan of action regarding how the team/league handles violence and/or threats of violence before permission will be granted.
- Due to the nature of Adult Amateur Football; any team seeking a home game must also accompany the IDFL with a home game during the same season unless an agreement is made to do otherwise.
- Any non-member team that acts in an unprofessional manner while visiting or hosting a member of the IDFL will forfeit any future opportunities to participate in future events, this includes but not limited to games, tournaments, scrimmages, etc.

Failure to have the necessary information can and will delay our decision as to participate in your event.
